Parent Engagement Materials

For Secondary Principals

2020
TOPIC: The Best Resources On Parent Engagement In Countries Other Than The U.S.

Summary: I’ve written quite a few posts about parent engagement in countries other than the United States, and decided to bring together the best resources into one list. You can see all my parent engagement-related “The Best” lists here.

TOPIC: “SAY THEIR NAMES” – A TOOLKIT FOR DISCUSSING RACISM FROM CHICAGO PUBLIC SCHOOLS

Summary: A toolkit to help foster productive conversations about race and civil disobedience

TOPIC: 4 Ways to Improve Parent Involvement at Your School

Summary: Engaging your students’ parents these days is actually easier than ever, thanks to the many channels at your fingertips – and theirs. In this article, I want to review those channels and encourage you and your fellow school administrators and teachers to start making the most of the variety of communication channels that can improve parent involvement at your school.

TOPIC: Parental engagement in children's learning needs to move beyond school

Summary: Standards in education are being held back by a lack of meaningful parental engagement in children’s learning, according to the authors of a study from our researchers, highlighted in the Welsh Government’s Toolkit for Parental Engagement launched today.
